Case No. CR99-420-JCC

SUMMARY REPORT OF U.S.  
MAGISTRATE JUDGE AS TO  
ALLEGED VIOLATIONS  
OF SUPERVISED RELEASE

16 An evidentiary hearing on a petition for violation of supervised release in this case  
17 was scheduled before the undersigned Magistrate Judge on June 27, 2007. The United States  
18 was represented by Assistant United States Attorney Kathryn Frierson, and the defendant by  
19 Mr. Mark Kaima.

20 The defendant had been charged and convicted of Possession of Cocaine Base with  
21 Intent to Distribute. On or about January 21, 2000, defendant was sentenced by the  
22 Honorable John C. Coughenour to a term of sixty (60) months in custody, to be followed by  
23 five years of supervised release.

24 On or about February 11, 2005, a violation report and request for warrant was  
25 submitted to the Court. Defendant's sentence was revoked, and at that time was sentenced  
26 by the Honorable John C. Coughenour to six months in custody to be followed by 54 months

01 of supervised release.

02 In addition to the standard conditions of supervised release, which includes  
03 compliance with all local, state, and federal laws, special conditions of supervised release  
04 were imposed. These special conditions included, but were not limited to, substance-abuse  
05 and mental-health treatment program participation, financial disclosure, consent to search,  
06 prohibited from working for cash, employment restrictions, alcohol abstinence, and no  
07 possession of any device that would interfere with urinalysis testing.

08 In a Petition for Warrant or Summons for Offender Under Supervision dated  
09 March 22, 2007, Mr. Jerrod Akins, U.S. Probation Officer, alleges the following violations  
10 of defendant's conditions of supervised release:

11 (1) Committing the crime of possession of cocaine on March 17, 2007, in  
12 violation of the general condition of supervision which states that the defendant shall not  
13 commit another federal, state, or local crime.

14 (2) Committing the crime of possession of Oxycontin on March 17, 2007, in  
15 violation of the general condition of supervision with states that the defendant shall not  
16 commit another federal, state, or local crime.

17 (3) Committing the crime of possession of marijuana on March 17, 2007, in  
18 violation of the general condition of supervision which states that the defendant shall not  
19 commit another federal, state, or local crime.

20 (4) Possession of drug paraphernalia on or about March 17, 2007, in violation of  
21 standard condition number 7.

22 The defendant was advised of his rights, acknowledged those rights, and admitted to  
23 alleged violation numbers 1, 2, and 3. Alleged violation number 4 was withdrawn and  
24 dismissed by the government.

25 I therefore recommend that the Court find the defendant to have violated the terms  
26 and conditions of his supervised release as to violation numbers 1, 2, and 3, and that the

01 Court conduct a hearing limited to disposition. A disposition hearing on these violations has  
02 been set before the Honorable John C. Coughenour for July 13th, 2007, at 9:00 a.m.

03 Pending a final determination by the Court, the defendant has been detained.

04 DATED this 27th day of June, 2007.
